March 2008 - reaching most PRVA members - www.paulreverevillage.com

Farewell to PRVA

This is my last newsletter for my wonderful neighbors at Paul Revere Village. I recently became engaged to the most wonderful man! We hope to be married around Memorial Day weekend and will be moving to Framingham. I have had some wonderful experiences here at PRVA and I've met some fantastic neighbors. I have really felt part of this great community, and I have all of you to thank for it!
As Bob Hope eloquently sang it: "Thanks for the memories!"

PS I will be renting my unit for a couple of years until the market returns. If you know of anyone who is looking to rent a beautiful town house, please let me know: (508) 865-7544.

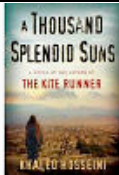

Newsletter will continue

Jeff Grinnell, PRVA's web master will be taking over the newsletter duties. I'm sure he will do a splendid job of keeping you up to date (and may even include some ditties!) Contact Jeff at: webmaster@paulreverevillage.com with any information you would like to share.

According to Pat:

We will be reading "A Thousand Splendid Suns" by Khaled Hosseini who wrote "The Kite Runner." Reminder

Now that Spring is near, many neighbors are thinking of making changes to their units. Please remember that before making **ANY** changes to the exterior of the unit, including windows, garage doors, decks, propane tanks, pellet stoves, etc. homeowners must notify the Board of the proposed changes and those changes must be approved by the Board.

Newspaper and cardboard weeks: Millbury Rubbish will pick up the newspapers in the morning and the cardboard in the afternoon. How does this affect you? Please make sure you separate your newspapers from your cardboard. Newspapers can go into paper bags and cardboard should be tied together.

Winter Parking

We will be enforcing the "Winter No Parking" rules again this year. If you are not familiar with the rules, they are on the [website](#) and are posted at the mailboxes.

The general rule is when the first flake falls, **MOVE YOUR CAR!** There is **NO** parking on Bunker Hill during snowfalls.

When you hear the plows, please move your cars from the driveways, so they can be plowed as well. Please let the plows do their job.

Remember: Winter parking is at a premium at Paul Revere Village -- please be considerate of your neighbors! Community parking lots are for guest parking and homeowner use. Each homeowner has the garage and at least one parking space in the driveway -- *please* use those before the community parking lots.

Household Tip(s) of the Month

Expanding Frosting

FiOS Update

All the snow we've had this year, has made it impossible

When you buy a container of cake frosting from the store, whip it with your mixer for a few minutes. You can double it in size. You get to frost more cake/cupcakes with the same amount. You also eat less sugar and calories per serving.

for Verizon to dig and lay the cables in the complex. We're still waiting for Spring (in more ways than one!).

Happy St. Patrick's Day!
