WINTER PARKING RESTRICTIONS

Just a reminder of the Winter parking restrictions that are in effect from December 1st through April 1st.

There is no parking on the incoming side of Bunker Hill Road between 1:00a.m. and 6:00a.m. Also, parking along Bunker Hill Road is banned during snowfalls to allow the plows to effectively clear the road.

There is also no parking in some of the end parking lots during snowfall to allow the plow crews to more easily push the snow off the roads. See the map below for details.

When you hear the plows, please move your cars from the driveways, so they can be plowed as well. Please help the snow removal crews do their job so everyone can have their drive cleared without undo delay.

Please, slow down when exiting the complex. Because of melting snow, ice may form on Bunker Hill Road just before the intersection with Grafton Street. Accidents have happened before.

NO PARKING IN THE CUL DE SACS FROM THE FIRST SNOWFLAKE UNTIL THE PLOWS ARE DONE.

MOVE YOUR CAR AND CLEAN IT OFF WHEN THE PLOWS COME- THEY WILL NOT BE BACK A SECOND TIME.

The Board is actively enforcing the restriction of commercial vehicles.

Commercial vehicles are **not** allowed at PRVA per our condominium documents.
