The certified letter for 9 VG re: pet waste has not been answered.

Trees need pruning and work. Steve B will meet with Bartlett. Budget is limited due to siding remediation.

The goal for siding remediation is 7 buildings. 27-30 Lex and 9-12 MHL will be the first buildings that will have work done.

Other buildings will be completed as funds allow. If more homeowners would pay the assessment in full, the buildings could be completed in a timely manner.

The assessment allows for \$14,600 per 4 plex building. The buildings that have the most damage have been billed at \$20,000.
