Board Meetings are normally scheduled for the 1st Monday of each month, at 3 Lexington, 6:00p.m. [Please email the board](#) , or let them know another way, if you are going to attend. If you have concerns and want direct answers, this is the best way...attend and ask.

USPS and Paul Revere Village

Last month I asked you all a question about our mail delivery. Fourteen of you responded that you have had issues. [Attached is a pdf of the letter](#) emailed to our board and also to the postmaster of Millbury.

For future misdirected mail, unless you hand it to the person it belongs to, please write on the envelope "put into wrong box" and place into the official blue mail box.

Thank you for all your responses. Names have been removed but unit numbers are included with comments.

PRVA Book Club Report

Rebecca reports - "Very nice meeting we had at Jan's last Thursday...good discussion of *Brighten the Corner Where You Are* by Fred Chappell, and many VERY tasty snacks. Thank you Jan and Kaye for hosting.

Our next book is *The Namesake* by Jhumpa Lahiri. I've read this already and enjoyed it very much. It did draw me in right from the beginning like Kite Runner and was a vividly depicted story of the first-generation immigrant experience, set right here in Massachusetts. I'll be interested to hear what you think of it. [Here is a link to it on Barnes & Noble](#): Warning: If you like Indian food, don't read when hungry :-)

Once again, I highly recommend www.bookcrossing.com for learning about books, getting recommendations and trading books with others. We are going to keep meetings on the 3rd Thursday of the month at 7pm, making the next one on August 17th.

For details on joining the PRVA book club, email Rebecca.

Jodi Dromgoole Provides Update on daughter Erin

An Erin update!

For jobs Erin taught History at The Newman School (co-ed private school on Marlborough St. in Boston) last year. This fall she moves to teaching History and English at The Roxbury Latin School in West Roxbury. It is the oldest school in continuous existence in North America...founded in 1645, in the reign of King Charles the First. With 280 grade 7>12 boys, she should be busy!

She still runs and runs and loves it. She continues to amaze! I am sending some pictures and a [description of where they were.](#) Jodi - 3 Village Green
