

# Revere Reveries

## Paul Revere Village Web Newsletter

February 2005 - reaching 73 PRVA members

### Snow

Record breaking snow levels! Enough already...I have snow pictures up the ying-yang...want to see some buds and spring blossoms now..

I did catch some pretty good shots of our Blizzard of 2005. They are in [our picture gallery](#).

### Pellet Stove Owners

I believe there are more than several pellet stove owners in the complex. I was wondering if it would be beneficial to create "PSO group" to share info/ideas, coordinate cleanings with a business, coordinate pellet deliveries with a business.

Maybe we could even try to barter with businesses that clean and/or deliver pellets if we had a fairly large number of participants doing it at the same time.

If you are interested in starting this "PSO group" call and leave a message (508-865-4912) - Jodi or email at [jodrom@charter.net](mailto:jodrom@charter.net)

There is also an ongoing discussion in our discussion area. Please join in, let's see if we can pool our resources ;)

### Board Meetings, Minutes, Financials

**Minutes** [are posted here](#). December minutes are posted. A neighbor has been approved for the second gas stove in our complex.

**Financials** - December 2004 is posted. I apologize for the quality of the pdf. I intend to ask the board to provide electronic copies rather than a printout which requires scanning.

**Board Meeting -Next board meeting is February 7th.** Board meetings are normally scheduled for the 1st Monday of each month, at 3 Lexington, 6:00p.m. [Please email the board](#) ,or let them know another way, if you are going to attend. If you have concerns and want direct answers, this is the best way...attend and ask.

If you need the password, just [ask](#).

### The Ole Woodsman

Great topic this month!

#### [Woody addresses Winter Blues!](#)

The Old Woodsman always invites your comments and suggestions. [Just send them here and they will be passed along.](#)

### Energy Saving Program

**Rise Engineering has been contacted with the names of the owners interested in participating in the Mass Energywise Program and free digital thermostats- more info to come**
