Also, the digital chapter meeting of Seven Hills Camera Club is free and open to the public. It is held at the Worcester Library once a month.

A Note to Us from the Old Woodman

Hi Everyone: Just to let you know- I put a bid on a house in Havelock and the offer was accepted. It is a two story Colonial with Living room, kitchen, dining room, fireplace, two car garage, 2 large bedrooms and a FROG (finished room over the garage) as well as a small office on the second floor, two full baths and a small awfully cute sink and toilet under the stairs. It was built in 1986 and has recently been re-sided, new windows, great lighting fixtures, Bose surround sound in my bedroom which used to be the family room, and a fairly new roof. It has a large fenced in backyard and is in a desirable neighborhood. It also has a hot-tub which I don't really need but am considering keeping for the summer and filling with cool water to cool off. We'll see. I am excited about this house. The neighborhood reminds me of New England which I dearly miss. ~ Jan
