Board Meetings, Minutes, Financials

Minutes [are posted here.](#)

Board Meeting - Board meetings are normally scheduled for the 1st Monday of each month, at 3 Lexington, 6:00p.m. [Please email the board](#), or let them know another way, if you are going to attend. If you have concerns and want direct answers, this is the best way...attend and ask.

[Financials](#) are posted for March 31, 2005. If you need the password, just [ask](#).

The latest *All the News*, our printed newsletter, was mailed out the week of April 18th. [These are posted on our web](#) for your future reference on the newsletter page.

Recap - Spring Yard Sale 2005 - Mark your calendars for our Fall Yard Sale!

The skies threatened to rain on our yard sale, but it didn't dampen the enthusiasm of the PRVA residents selling their treasures! **We will have a fall yard sale Saturday Sept. 10th**, so plan now to join us- all welcome to set up a table at the entrance and sell!

We will also plan to have a trash pickup day the following Monday, so no excuse not to clean out the cellar or 2nd bedroom. New homeowners, please join us- it's a fun way to meet your neighbors! Visit our [Picture Gallery](#) for more photos.

The Ole Woodsman

Our generous Ole Woodsman has taken a respite for this month to re-inspire his love of the earth. He is exploring Vermont!

We look forward to his column next month!

The Ole Woodsman always invites your comments and suggestions. [Just send them here and they will be passed along.](#)

Doberman Reunion Picnic

On Sunday May 22nd, more than 100 Dobermans and their families gathered at Hopkinton State Park to see old friends and meet new ones. How do 100 Dobermans get along? Actually, quite well! These previously unwanted Dobermans were rescued and placed in loving homes by Doberman Rescue Unlimited, Inc., whose shelter is in Sandown, NH. Agility and Obedience demos were the highlights of the afternoon, while happy Dobeys played and frolicked with each other. Thank you to Michelle Fontaine, who took time out from being "Mother of the Bride" the day before to join us and photograph the event. For more info on DRU, please visit their web site at www.dru.org. DRU has more than 50 Dobermans desperately in need of homes. -Laurie Guptill - see the latest photos at <http://imageevent.com/fontainefamily/dru2005>

Tour of Gracious Homes

Plan on joining the Tour of Gracious Homes, Sunday, June 5, from 12-5 PM, that takes place in the Massachusetts Avenue Historic District of Worcester. In conjunction with the 100th Anniversary of Stephen Salisbury III's death and with great neighborhood co-operation, Preservation Worcester has scheduled ten homes to be on the spring tour.

In the late 19th Century, Stephen Salisbury III conceived a grand-scale planned development. His design for Massachusetts Avenue from Salisbury Street to Drury Lane called for a thirty-foot wide central parkway, which still includes some of the original trees. Neighbors have spent considerable time and effort maintaining and enhancing this distinctive element of Massachusetts Avenue. [More Here..](#)

2005 - Fire Inspection Year

ALL fireplaces must be inspected and cleaned (if necessary) between April 1 and October 1

A certificate of inspection from a licensed chimney sweep needs to be submitted to the Board no later than October 1, 2005. Most of our unit owners use Top Hat in Grafton. We are not officially endorsing Top Hat, you may use any licensed chimney sweep. I had Top Hat clean and inspect my chimney this week and **he gave me a \$15 PRVA discount.** Fireplace cleaning and inspection is a safety issue that concerns ALL of us at PRVA.- Laurie Guptill

Mowing over Poop - Yuk!

The landscapers have begun mowing and they are running over dog feces with their mowers-yuk! There is no excuse for you not to pick up after your dog! Please patrol your area and report ANY dog owner that is not doing their part to the Board so that they may take the appropriate action! Also please do not allow your dog to urinate in the same spot on the grass- this makes for unattractive yellow patches of dead grass

Historic Homes - The original residents were professionals and industrialists who purchased lots for \$3,000 to \$11,000, and were only awarded deeds on the condition they would erect their home within one year. Their houses were a reflection of their affluence and the prosperous status of the city. Home styles are from the Eclectic Period, and include different forms of Colonial Revival, many in the Georgian style, using elements of Gothic, Palladian and Jacobean Revival. Upon Salisbury's death in 1905, the remaining property came under the stewardship of the Worcester Art Museum, and the later development of Regent Street proceeded under less stringent restrictions. The times called for less formal styles, as well, including the Prairie and Bungalow styles that are reflected in homes on the street. Over the years, many of the houses have had additions and new owners have completed restorations and renovations. Tour goers will be privileged to step inside these amazing homes that are a part of Worcester's history and also domiciles for modern families. Spend an afternoon experiencing first-hand his vision of gracious living. For more info call PW at 508-754-8760 or visit their web site at www.preservationworcester.org. The tour will also be featured in the T&G Homes section Sunday May 29.
