APPLE CRISP

Ingredients

- 3/4 cup all-purpose flour
- 1/4 cup packed light brown sugar
- 1/2 teaspoon salt
- 1/2 cup plus 2 tablespoons granulated sugar
- 1 stick cold butter, cut into small cubes
- 1 cup old fashioned oats (not quick cooking)
- 3 pounds apples, peeled and cut into 1/2-inch chunks
- 3 Tablespoons lemon juice
- 1/2 teaspoon ground cinnamon

Directions

Preheat oven to 375 degrees. In a large bowl, mix together flour, brown sugar, salt, and 2 tablespoons granulated sugar. Cut butter into flour mixture using a pastry blender or 2 knives until mixture resembles coarse crumbs. Add oats, and use your hands to toss and squeeze mixture until large, moist clumps. Transfer to freezer to chill while you prepare your apples.

In another large bowl, toss apples with lemon juice, cinnamon, and remaining sugar. Transfer to a shallow 2-quart baking dish and sprinkle with topping mixture. Place baking dish on a rimmed baking sheet, and bake until golden and bubbling, 55 to 65 minutes. Let cool 10 minutes before serving.

MONTHLY MINUTE WITH MAUREEN

I read that more Americans vote for the next American Idol compared to those that vote for next President of the United States. That just seems so disturbing to me. Whether you think your vote counts or not, just do it. Pick the issues that are important to you, do a little research on where the candidates stand on those issues, and just vote. Whether it's national security, healthcare, or social security, make a decision and take the 15 minutes to go and vote.

Thank you!

~Maureen
