Winter Parking: Help the Snow Crews Help You

Just a reminder of the Winter parking restrictions that are in effect from December 1st through April 1st.

There is no parking on the incoming side of Bunker Hill Road between 1:00a.m. and 6:00a.m. Also, parking along Bunker Hill Road is banned during snowfalls to allow the plows to effectively clear the road.

There is also no parking in some of the end parking lots during snowfall to allow the plow crews to more easily push the

snow off the roads. See the map below for details.

When you hear the plows, please move your cars from the driveways, so they can be plowed as well. Please help the snow removal crews do their job so everyone can have their drive cleared without undo delay.

Please, slow down when exiting the complex. Because of melting snow, ice may form on Bunker Hill Road just before the intersection with Grafton Street. Accidents have happened before.

Areas of No Parking during snowfall:

MONTHLY MINUTE WITH MAUREEN

Toys for Tots is expecting even a greater need this holiday season. Jeff and I are planning on doing our part this week by donating toys to one of the many drop off locations. The company Jeff works for has a drop off box every year. If there is anyone out there that wants to donate, please feel free to bring over a new, unwrapped toy 4 Meetinghouse and I will make sure they get donated. I also want to remind everyone that there are so many great coupon websites out there that make holiday shopping a little easier on us all. I never go shopping without a coupon in hand. Please have a wonderful holiday season.
