

PAUL REVERE VILLAGE ASSOCIATION
BUNKER HILL ROAD
MILLBURY, MA 01527
board@paulreverevillage.com

July 12, 2012

Dear Sir or Madam:

This letter is to inform the recipient that the board of Paul Revere Village has granted their permission to allow Jeffrey Grinnell of 4 Meetinghouse Lane to install Photovoltaic Panels on the roof structure above his townhome.

The PV panels will be installed through a licensed and insured vendor (Real Goods Solar) and is being performed at his own expense. The board of Paul Revere Village is simply granting Mr. Grinnell permission to use the common space on the roof of his townhome for these panels.

If there are any questions related to this please feel free to contact the board at the email address in the header of this letter.

Sincerely,

Steven DiVirgilio
President, PRVA
