May 10, 2023 via Skype

The meeting was called to order at 6:00 pm.

The Board welcomed back Robin Boucher from her recent trip to Ireland.

They will trim the dead branches and take down the grape vines that are strangling the trees.

The Board discussed reinstating the speed bumps on Bunker Hill Rd. The Board decided not to have the speed bumps installed this year. The Board agreed to have a 15mph speed limit sign installed.

The Board agreed that there was enough in the budget to have 9-10 Concord Rd. to be the last building for the siding remediation for 2023. Tassio will be in touch with Bilmar Construction.

The Board discussed the possibility of an earlier Annual Meeting outside at the water shed during the day. This will be noted in the next newsletter for opinions from the membership.

The street light at 26 Lex continues to malfunction. Steve B will contact electrician for repair.
